- Developed and deployed a cutting-edge application to streamline E-pass generation for a local government body, resulting in a 50% reduction in processing time and improved record management efficiency.

SKILLS:

- JavaScript
- TypeScript
- FeathersJs
- CSS
- HTML
- .NET
- Nest JS
- ExpressJS

LIBRARIES

- Prisma
- Redis
- Crypto
- WebSockets
- Axios
- Amqplib
- Aws-sdk
- JWT
- Jest
- Mocha
- PdfKit

DATABASES/ ORM

- MySQL
- Postgres
- MongoDB

TOOLS/PLATFORMS

- Postman
- Git
- Zoho
- Office
- DFDs
- JIRA

ACHIEVEMENTS

- Mentor of the Year, 2024
- Mentor of the Quarter, Dec 2024
- Secured 1st Rank in Graduation (College level)
- Achieved Top 100 ranking in State Level Post Graduation
- 2nd Rank in School (10th Grade)
- Triumphed at the esteemed 2020 Codebuzz competition.
- Runner up in 2021 Code Rally hackathon.
- Sports Captain at School Level
- House Captain at School Level
